PIVOT DETAIL

Corinthian knows how to make an entrance. Grander, taller, wider than ever before, these new pivot doors take selected Corinthian door styles into another dimension.

Our Pivot door system handles the weight of an imposing timber door with total ease and functionality. Being a total system, Pivot comes complete with commercial quality pivot hardware, factory fitted to our high quality jambs and pivot doors. Choose from the ever popular Infinity INF 6G or INF 8G in either 2040 x 1200mm or 2340 x 1200mm and you have an impressive opening statement.

Additional door designs are available - please call your nearest Corinthian office for more detail.
