

Pull Handles

- Choose from a range of pull handles in various lengths and styles.
- Shown below are examples of Linear, Horizon and Senator pull handles combined with

matching leverset, 755 series mortice lock and key escutcheons to suit exterior door applications.

Door is opened from exterior by retracting latchbolt with key; or from interior by retracting latchbolt with lever. Operate key to throw deadbolt. (Part numbers for pull handle sets are detailed below.)

Note: Pull Handle cannot be 'through fixed' with roller bolt mortice lock.

** 750mm Horizon pull handle set is available in Stainless Steel only, however certain contents of the set are finished in Satin Chrome, as listed above.

Auxiliary Hardware

Note: The 600mm pull handle range is estimated to be available by late calendar year, 2007.

600mm Pull Handles

- Gainsborough now offers an even broader range of pull handles, with the introduction of the new 9200 series 600mm Grade 316 Stainless Steel Pull Handles.
- Choose from an impressive array of handles, including the Horizon, Curved, Styled, and Oblong designs, all 600mm in length.

- Featuring 316 grade stainless steel for higher corrosion resistance and durability, each product comprises a single pull handle with all the relevant screws and accessories for single fix-visible; or single fix-concealed; or back to back fixing. Note: For back to back fixing, please order 2 handles.
- Each new 600mm pull handle features a quality polybag with header card for the increased versatility of hang sell presentation in store.
