### Door Closers

Gainsborough door closers are suitable for timber or metal door installation, and incorporate adjustable arm and parallel arm bracket, independent latching and closing speed adjustment valves. 3002V suits 25-45kg doors and 3003V suits 40-65kg doors. Silver finish only.

3002V/3003V Hydraulic  
Door Closers

### Wrought Iron Pull Handles and Key Escutcheon

Choose from a range of wrought iron pull handles and matching key escutcheon. These products can be used in conjunction with a 755 series mortice lock or 775 series roller bolt mortice lock, together with relevant rebate kit for double doors, as detailed on pages 12-13.

*Note: Pull handles are not able to suit fixing through mortice locks*
